

Quantum Duo

12th January 2009

Streamlined Family From Carron

In 2009, Carron bathrooms launched the Quantum Showerbath and Quantum Duo baths. From Carron's in house design studio, these baths lead the way in the trend for streamlined, angular design.

Following the successful launch of these two designs in 2009, we are extending the range available in 2010 with additional sizes in the Duo design and a full range of sizes in a single ended version.

The complete Quantum range will be:

- Quantum Duo:
 - 1700 x 700
 - 1700 x 750
 - 1800 x 800
- Quantum Single:
 - 1500 x 700
 - 1600 x 700
 - 1700 x 700
 - 1700 x 750
 - 1800 x 800
- Quantum Showerbath:
 - 1800 x 750-900

This range is available through Carron distributors.
